"Simply love others and the Holy Spirit will begin to move through ordinary people!"

Hi, I'm Vincent DeLaidatti and I became a Christian August 18th 1981 on a street corner! An evangelist brother shared Christ with me. He told me Jesus is the way to God and I must be born again. I was thinking "what if this guy is in some kind of cult". At the precise second I thought of the word cult... this brother looked at me and said "we are not from any cult" "we are telling you to put Jesus first in your life and go to a church that preaches and teaches The Father, The Son & The Holy Spirit!"

My first thought was, how did he know what I was thinking except God be with him. Of course, this was a word of knowledge. A gift of the Holy Spirit. Jesus

"Trusting your feet in the hands of God! "

used the word of knowledge with the woman at the well
(John 4:17 KJV) The woman answered and said, I have no husband. Jesus said unto her, Thou hast well said, I have no husband: 18For thou hast had five husbands; and he whom thou now hast is not thy husband: in that saidst thou truly. And in 39And many of the Samaritans of that city believed on him for the saying of the woman, which testified, He told me all that ever I did.

This woman and her town were never the same! We need to go and do the same works of our Master! We can do all things!

Win, Win Situation for the church!

We all have been stumped while sharing our faith with others. God is giving us an opportunity for intimacy. If we will seek Him in times when we fail He will make our paths straight.

"PUTTING FEET TO YOUR FAITH" seminar

I started teaching Prophetic Evangelism first as a pastor friend wanted me to speak to his men. I figured I was speaking to Christians so I'd teach a message on how to hear from God to win the lost. Then a few months later after teaching Prophetic Evangelism at another church the pastor asked me to teach more on the prophetic. After he walked out of the room I asked the Lord what did HE want to do that night. HE immediately

said "Teach MY people how to hear MY voice / they're not listening to ME"! As He gave me "Learning to hear the voice of God" I realized I was putting the cart before the horse. So, now I'm teaching, "Learning to hear the voice of God" 1st then "Spirit Led Evangelism" or Prophetic Evangelism followed by a 3rd day called "Mixing it Up". Mixing it up is actual marketplace evangelism. Not just giving the church head knowledge but taking them out and teaching them to catch people.

I believe we're not utilizing all of our forces. Leadership many times looks for the bold ones, hoping they will share their faith with others. The shy folks are thought of as churchgoers, faithful but will never function evangelically. God has given me a strategy that is effectively getting shy people to successfully share their faith. We believe whole communities will be changed as a result of this teaching.

This seminar is activating the church to do the work of the ministry!
